Flower Expo Ukraine 2020 postponed!

The organizers of Flower Expo Ukraine have decided to postpone Flower Expo Ukraine to 26-28 May 2020 due to the Coronavirus situation.

The decision comes as the Cabinet of Ministers of Ukraine have enforced a quarantine across Ukraine from March 12th until at least April 3rd, these measures were imposed on March 11th. The quarantine includes the closure of all educational institutions, including nurseries, schools and universities and a ban on mass gatherings of more than 200 people.

Although the exhibition is scheduled from 8-10 April there is no guarantee that the quarantine measures will not be extended. In addition, the global concern regarding the Coronavirus outbreak, travel concerns and other circumstances, make it impossible for the organizers to hold the event at the scheduled time.

Flower Expo Ukraine is thus re-scheduled to 26-28 May 2020.

This decision has been taken after careful consideration and in the interest of exhibitors and visitors and, above all, to protect the health of all attendees.

Yours Faithfully,
