FOR IMMEDIATE RELEASE ****

January 13th, 2021

Flower Expo Ukraine 2021 rescheduled to 1-3 June!

Flower Expo Ukraine is rescheduled due to the ongoing uncertainties related to the Coronavirus situation.

In recent months and weeks there has been positive news with regards to the vaccines and vaccination campaigns have commenced in many countries. It is widely expected that things will return to normal at some point this year, the organisers believe that the beginning of June will offer better circumstances to hold the exhibition.

Although that many events have taken place online over the past year it has become evident that both participants as well as visitors are greatly looking forward to participate in a live event again, therefore the organisers decided, in the interest of participants and visitors to re-scheduled the exhibition to 1-3 June 2021.

This decision has been taken after careful consideration and in the interest of exhibitors and visitors and, above all, to protect the health of all attendees.

Yours Faithfully,

Nova Exhibitions B.V. Flower Council of Ukraine
